CONTACT

ÉCOLE DUCASSE

Established in 1999, École Ducasse is a globally recognized reference point for excellence in culinary and pastry arts education. Sharing the expertise and philosophy of the iconic Chef Alain Ducasse, we offer excellence in practice.

At the roots of École Ducasse is a passion for culinary and pastry arts, and the desire to reveal the original taste of products, to exalt their flavors, and to satisfy our guests.

At École Ducasse, our mission is to pass on Chef Alain Ducasse's culinary savoir-faire and philosophy to everyone. We offer a complete range of educational programs, from intensive entrepreneurial training courses to Bachelor degrees. We train students and professionals from all over the world, helping them to become the next generation of top Chefs. Our programs are delivered by passionate and highly qualified professionals, who know that an effective training requires a personalized follow-up.

We are ready to help you enhance your talent, cultivate your identity, and meet the high expectations of our industry.

OUR MASTERCLASSES

Ecole Ducasse Masterclasses are designed to provide you with additional support to reach the industry's highest standards, while keeping your own culinary identity.

Our expertise is at your fingertips to create an exclusive training experience. You may choose from our various catalog themes that can be taught on your premises or at our schools in France. Our dedicated team will then tailor a training program based on your specific objectives, program type (demo/ hands-on/ tasting) and duration.

Our Masterclasses impart not only the latest culinary innovation and techniques, but also the importance of produce quality to respond to ever-changing hospitality industry demand. They provide the opportunity for participants to bring out their talent in culinary and pastry arts.

Reach excellence with École Ducasse, a flexible solution to train participants on a specific culinary or pastry expertise.

Benefit from a tailored training program designed around your needs.
